

One of the core values of our company is to give back to the **Community**. Therefore, during these unprecedented times we are helping the ones who are in need the most.

OUR CONTRIBUTION SO FAR

We have donated and distributed **1000's of masks** to help stop the spread of Covid-19.

We have helped **100's of Families** in financial need with their grocery shopping to help them get by during these difficult times.

We continue to offer **FREE DELIVERY** services for the elderly and the most vulnerable amongst us.
